3. Evaluative Report of the Department

1. Name of the Department - Obstetrics & Gynaecology
2. Year of establishment - 1971
3. Is the Department part of a college? - Yes
4. Names of programs offered (UG, PG, PharmD, Integrated Masters; M.Phil., Ph.D., Integrated Ph.D., Certificate, Diploma, PG Diploma, D.M./M.Ch., Super specialty fellowship, etc.) - UG & MS (Obst & Gynaec)
5. Interdisciplinary programs and departments involved:
   a) Antenatal Thalassemia Screening Programme with Dept. of Pathology
   b) HIV & PPTCT under DSACS, NACO
   c) National Birth Defect Registry with Dept. of Pediatrics in collaboration with Safdarjung hospital.
   d) National Cervical Cancer Screening with Pathology Department
6. Courses in collaboration with other universities, industries, foreign institutions, etc. - Nil
7. Details of programs discontinued, if any, with reasons: - DNB (Obst & Gynaec) from National Board of Examination.
   Reason: - Increase in strength of MS (O&G) candidate from Delhi University as per PG recognized supervisor
8. Examination System: Annual/Semester/Trimester/Choice Based Credit System:
   UG - Semester wise exam as per MCI norms
   PG - Single exit exam as per MCI norms
9. Participation of the department in the courses offered by other departments: PhD Programme, Postgraduate thesis: Faculty from different departments are co-opted as co-supervisors for PG theses / PHD thesis
10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others):

</table>

12. List of Senior Visiting Fellows, adjunct faculty, emeritus professors etc: - Nil

13. Percentage of classes taken by temporary faculty - program-wise information:

**Equal distribution of classes among temporary and permanent faculty**

15. Number of academic support staff (technical) and administrative staff: sanctioned, filled and actual: - **One administrative staff and one peon (filled)**

16. Research thrust areas as recognized by major funding agencies:

a) Maternal mortality and Morbidity
b) Environment contaminants and reproductive health and cancers
c) High risk pregnancy
d) Gyne oncology
e) Infertility
17. Number of faculty with ongoing projects from a) national b) international funding agencies and c) Total grants received. Give the names of the funding agencies, project title and grants received project-wise. - Annexure - I
18. Inter-institutional collaborative projects and associated grants received: - As shown Annexure - I
   a) National collaboration b) International collaboration
19. Departmental projects funded by ICMR; DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received. - Annexure - I
20. Research facility / centre with:
   • state recognition - Nil
   • national recognition - Nil
   • international recognition - Nil
21. Special research laboratories sponsored by / created by industry or corporate bodies. Nil
22. Publications: - Annexure - II
   * Number of papers published in peer reviewed journals (national/ international) - 53
   * Monographs - Nil
   * Chapters in Books - 16
   * Books edited - 2
   * Books with ISBN with details of publishers - Refer to Annexure - II
   * Number listed in International Database (For e.g. Web of Science, Scopus, Humanities International Complete, Dare Database - International Social Sciences Directory, EBSCO host, Medline, etc.) - 43
   * Citation Index – range / average -
   * SNIP -
   * SJR -
   * Impact Factor – range / average - 3.227-0.23 /1.24
   * h-index -
23. Details of patents and income generated: - Nil
24. Areas of consultancy and income generated: - Nil
25. Faculty selected nationally / internationally to visit other laboratories / institutions / industries in India and abroad: - Faculty is regularly invited for MCI inspection Medical Colleges for UGs, PGs and MCH courses
26. Faculty serving in
   a) National committees b) International committees c) Editorial Boards d) any other
Six faculty members serving Editorial Board and National committees in various capacity. - Held the office of NARCHI (National Association of Reproductive & Child Health of India, Delhi Branch) President: Dr Amita Suneja, Vice President: Dr Shalini Rajaram, Secretary: Dr Kiran Guleria from 2014 - 16
Dr Shalini Rajaram, President: AOGIN – India (Asia Oceana Genital Infections & Neoplasia)

27. Faculty recharging strategies (Refresher / orientation programs, workshops, training programs and similar programs). - The newer appointees undergo teacher training programme and other faculty members regularly attend CMEs, Workshops, Training Programmes and Conferences

28. Student projects
   - percentage of students who have taken up in-house projects including inter-departmental projects - 1 to 2 %
   - percentage of students doing projects in collaboration with other universities / industry / institute - Nil

29. Awards / recognitions received at the national and international level by
   Annexure - III
   - Faculty
   - Doctoral / post doctoral fellows
   - Students

30. Seminars/ Conferences/Workshops organized and the source of funding (national / international) with details of outstanding participants, if any.
   Annexure - IV

31. Code of ethics for research followed by the departments: - Yes through institutional ethical committee

32. Student profile program-wise: - Pertains to College

37. Number of faculty who were awarded M.Phil., DM, M Ch, Ph.D., D.Sc. and D.Litt. during the assessment period: Nil

38. Present details of departmental infrastructural facilities with regard to:

   a) Library: Yes
   b) Internet facilities for staff and students: Yes
   c) Total number of class rooms: 4
   d) Class rooms with ICT facility and ‘smart’ class rooms: 2
   e) Students’ laboratories: Skill Lab
   f) Research laboratories: Central Research Lab. in college

39. List of doctoral, post-doctoral students and Research Associates: Nil
a) from the host institution/university
b) from other institutions/universities

40. Number of post graduate students getting financial assistance from the university: **About 5 to 6 out of 12 per year**

41. Was any need assessment exercise undertaken before the development of new program(s)? If so, highlight the methodology:    - Nil

42. Does the department obtain feedback from
   a. faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?    - **Only informal feedback**
   b. students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?    - Yes (informal and by feedback proforma)
   c. alumni and employers on the programs offered and how does the department utilize the feedback?

43. List the distinguished alumni of the department (maximum 10):
   a) Dr Ashima Taneja, HOD, DMC, Ludhiana
   b) Dr Shagun Bansal (DM) Genetic consultant in Hyderabad
   c) Dr Geeta Gupta, Consultant, Maternity Hospital in Dubai
   d) Dr Abha Maheshwari, Consultant IVF in UK
   e) Dr Shilpa Kava, Assistant Prof. Karnataka
   f) Dr Monisha Gupta, Consultant, GCRI, Ahmedabad
   g) Dr Harsha Sharma, Consultant, Pennysylvania, USA
   h) Dr Modesta Behlo, Specialist, Kohima, Nagaland
   i) Dr Narang Yam, Specialist, Arunachal Pradesh

44. Give details of student enrichment programs (special lectures / workshops / seminar) involving external experts.
   - Department organizes conferences and CMEs regularly which are attended by PG students    - (Annexure – IV)

45. List the teaching methods adopted by the faculty for different programs including clinical teaching.
   - Lectures, Seminars, Case discussions, Journal club, Panel, Quiz, bedside teaching, skill lab.

46. How does the department ensure that program objectives are constantly met and learning outcomes are monitored?
   - **Six monthly assessment & by the assessment of log book.**

47. Highlight the participation of students and faculty in extension activities. Case discussion,
bedside teaching, still leb - The faculty and the residents of Dept. work in various capacities in annual conferences (AOGD, NARCHI Delhi Branch etc.) & CMEs held by Dept.

48. Give details of “beyond syllabus scholarly activities” of the department: - Monthly community awareness programme held in last 2 years

49. State whether the program/ department is accredited/ graded by other agencies? If yes, give details. - Pertains to College

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied. - Dept. regularly contributes to newer research in basic and applied through PG thesis programme (6 to 12 per year). For last 13 years Departmental Theses research work has been rewarded every year by RD Pandit Prize from National body of Obst & Gynae (FOGSI).

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

   **Major Strength**
   1) Department has good teaching programme both UG & PG
   2) Our department caters to 1/3rd of clinical load of the hospital and extensive clinical load leading to clinical and surgical skill development of resident’s doctors.
   3) Running National Community Programmes and Monthly Community Awareness Programme also.
   4) Participation of the Dept. in holding state bodies like AOGD and NARCHI.
   5) Unity and Harmony, good work culture and excellent teamwork.
   6) MCH block infrastructure is good.

   **Weakness**
   1) Deficiency of manpower and logistics
   2) Poor IT infrastructure
   3) Documentation and data compilation
   4) Gynae office under staffed; deficiency of support staff and data entry operator
   5) Special equipment for advanced laparoscopic surgery & lack of super specialization i.e Fetal medicine, IVF

52. Future plans of the department.
   1. Establishment of IVF centre & Fetal Medicine unit
